Updates after project commencement:

09/10/18 Following a review of the Community Representatives that may attend the site inspection, Mr Hann realised that the list contained the names of two people with whom Mr Hann most likely attended high school with. One of these representatives appears to be a significant developer & business owner in the Casuarina township. Mr Hann, following discussions with the Chair of the Commission decided due to the potential for a perceived conflict it was agreed that Mr Hann would cease his role on the Panel.

10/10/18 Peter Duncan was appointed to the panel.

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
