Dear Richard
Varroville Heritage Review

I refer to your appointment as Chair of the Commission Panel constituted to review and prepare a report under the *Heritage Act* in relation to the NSW Heritage Council's recommendation to include an extended curtilage for Varroville (SHR00737) on the State Heritage Register.

I refer to the letter received from Mr David Shoebridge Greens NSW MP dated 30 November 2018 in relation to a perceived conflict of interest.

I agree with your reasoning and accept your resignation from the Commission's Panel for the reasons given in your email dated 30 November 2018.

Thank you for your contribution to this matter.

Kind regards,
