Dear Ms O'Kane,

Mary

Request to review and report on recommendation to list

I have received a recommendation to list an extended curtilage for Varroville (SHR00737) for the Heritage Council of NSW under s.32(2) of the Heritage Act 1977.

Under the power invested in me by s.34(1)(b) I request the Planning Assessment Commission (now the Independent Planning Commission - IPC) to review this matter. Under s.34(1a) the IPC is to conduct its review and provide a report to me with 3 months, as specified in s.21 of the Heritage Regulation 2012.

The requirements for the review by the IPC are set out in s.36 of the Heritage Act 1977.

I have attached all the material referred to me by the Heritage Council and the Office of Environment and Heritage for your consideration. This includes the Heritage Council's briefing note and recommendation to list and the Office of Environment and Heritage's corresponding briefing note.

The contact dealing with this request is Pauline McKenzie, Executive Director, Heritage Division and her details are pauline.mckenzie@environment.nsw.gov.au or 9873 8584.

Yours sincerely

Gabrielle Upton
